No.CBC/Engr. Brl/03030

Date 10 Sep, 2020

To,

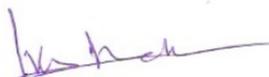

✓ Public interest law association (PILP),
Office No. 202, 2nd Floor, Zamzama Comm,
Lane-2, DHA Phase-V,
Karachi.

Subject: REQUEST FOR INFORMATION UNDER THE RIGHT OF ACCESS TO INFORMATION ACT, 2017.

Reference: Letter No. PILAP/HO/2020/408 dated: 02-09-2020.

The requisite information is as under;

S No	Information required	Response
i)	Given the colossal amount of public money spent on the construction of DHA Karachi storm water drains, why were they not able to drain away a majority of the rain water	The matter does not relate to CBC
ii)	How much capital has been spent on building DHA Karachi's storm drain system? How much of this was paid for by DHA residents in the form of taxes and other charges?	
iii)	What was the decision making process for selecting the contracting company that built the storm drains?	
iv)	Who was responsible for the technical approvals of the storm drain construction project?	
v)	What is the mechanism for approving house and building construction plans? What system and procedures are in place to ensure that rain water does not accumulate on residential and commercial buildings?	The lessee / owner submits building plan in DHA Office at one window Cell along with title documents and requisite fees are paid at the time of submission of building plan at DHA. Thereafter Cantt Board Clifton sanctions the building plans
