Subject: PROVISION OF REQUISITE INFORMATION UNDER THE RIGHT OF ACCESS TO INFORMATION ACT, 2017

Dear Sir,

With reference to Ref No.Appeal-559-09/20 dated September, 16, 2020 on the subject.

2. I am directed to state that the concept of establishment of Model Courts was considered and approved by the National Judicial (Policy Making) Committee (NJPMC) in its meeting held in March 2019. After notification of Model Courts by the High Courts, an independent directorate was established to monitor the working/performance of Model Courts in the Federal Judicial Academy.

3. The Complainant vide application dated August 17, 2020 requested for provision of information exclusively falling under the domain of directorate of Model Courts. Accordingly, he was asked to approach the forum to have requisite information. However, instead he has approached the Pakistan Information Commission complaining about non provision of information under the Right of Access to Information Act, 2017.

4. I am further directed to invite your kind attention towards Section 12 of Right of Access to Information Act, 2017 which provides that where a public body does not hold information or record, the applicant shall be informed accordingly within ten working days of the receipt of the request.

5. In the light of the subject provision, the applicant was timely informed and asked to approach relevant forum. It is, therefore, requested that the application being devoid of merit may be filed with the direction to applicant for approaching relevant forum for requisite information, if desired so.

Yours sincerely,

(Adnan Rasool Larik)
